Tech Corner - September 1, 2023

1. Question:

How do I turn off the wifi on my router?

CAB Notes & Links:

From Solari's FAQ [INSERT LINK: <https://home.solari.com/faq/>]

Serious security flaws have been documented with **Arris, Asus, AVM, Edimax, D-Link, Linksys, Netgear, Synology**, and **TP-Link** Internet routers. Make sure your router has all the latest updates. Contact the router's manufacturer or your Internet service provider for help. You may need an up-to-date router to be as secure as possible.

2. Question:

What is the difference between a search engine and a browser?
